

The Dartmouth Corinthian Yacht Club, founded in 1931, serves the sailing interests of the ~~college~~ students in many ways. The scope of our activities ranges from serious, competitive, intercollegiate racing through sailing instruction for beginners, recreational sailing for all and social activities throughout the year. The clubhouse is located on Lake Umbagog, southeast of Hanover, and our fleet is comprised of six Part 14's (modified J/14's) ~~built~~^{new} in 1963, three Deck dinghies, one International 14 and one 15' sloop plus two outboard powered crashboats. Our membership totals approximately 80 members a year and active participation is encouraged. There are informal weekly meetings, an annual election banquet, racing "chalk talks", sailing flicks, coed regattas and big-weekend ^{dinner} parties ~~to~~ any ^{or} ~~one~~ all of which are available to our members.
