Now Hear This !!!

All Sailors and Landlubbers

There has been much dispute of late as to which member of the faculty (or administration) is the fastest floater. The Dartmouth Corinthian Yacht Club has decided to settle this question once and for all. If you care to vie for this dubious honor, may we invite you to attend a Faculty Regatta to be held on Lake Mascoma Sunday, May 27--practice and/or eliminations Saturday afternoon, May 26.

Of course no racing experience is necessary.

We'll arrange the transportation and provide the food and boats; you provide the entertainment.

Only those who can swim will be allowed to leave the boats during a race.

*****Keg for the losers !! (Free beer for all)*****

If you are interested, please find a partner, fill out the form below, and return it (the form) to the DCYC office, 36 Robinson Hall, or to a DCYC meeting any Thursday at 10PM in 14 Silsby Hall by May 17.
